Before you send your file

- This product is cut to a special shape. Ask us for the exact cutter guide before you design.
- Supply as a CMYK PDF
- Outline or embed fonts
- 300dpi resolution.
- Please note that NCR sets have a safe zone of 5mm on all sides of the page.
- Non-Printable Area - Please be aware that there is a non-printable area surrounding the page. Ensure that no graphics, background colours or text creep into this zone. Please see our Help Centre article .
- If you are selecting double-sided print, we suggest using 70% black for the reverse to avoid show-through.
- You can print on the top sheet either single or double-sided. The 'copy' papers are printed single-sided only.

No design software? We can do it for you.

Order with "Design it for me" and our designers set up your artwork and send a proof.
